

To locate current taxes by name or schedule number. Use the ctrl f to get a dropdown box on your tool bar. In the dropdown box you can either enter owners name or schedule number of the property you are searching. If you are searching by address you will need to check the assessor's site to find owner's name or schedule number.

Be sure to use the tax amount in the total tax column and not half payment. To check status of tax you will need to call our office at 719-657-2747.
