## 2018 Budget Message

Attached is the 2018 Rio Grande County Budget. This budget includes the following County Funds: County General, Road and Bridge, Social Services, Capital Expenditures, Conservation Trust, Astronaut Rominger Airport and Tourism. Also included in this budget is the Rio Grande County Weed Control District's 2018 budget. *The total of this budget is \$22,446,941 which is an increase of 8.11% or \$1,683,976. Revenues are projected at an increase of 5.17% or \$1,026,318, which helps to offset the increase in expenses.*

Rio Grande County financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Property taxes are recognized as revenues in the year for which they are levied. Grants are recognized as revenue when eligibility requirements are met. Sales and use taxes, other taxes, charges for services, intergovernmental revenues, and interest are all considered to be prone to accrual and so will be recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the County.

Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

### Major points of interest

- Revenues:

We have projected slight increase in property taxes due to an increase in property tax assessments in 2017. Property taxes are 12.87% of the total budget, down slightly from the 13.37% projected in 2017.

Revenues	2018	Percentage	2017	
Property Taxes	\$2,889,545	12.87%	\$2,776,112	13.37%
Local Revenues	\$1,776,431	7.91%	\$2,075,300	10.00%
Intergovernmental	\$16,219,700	72.26%	\$14,843,456	71.49%
Fund Reserves	\$1,561,265	6.96%	\$1,068,097	5.14%
<b>Total</b>	<b>\$22,446,941</b>		<b>\$20,762,965</b>	

○ Sales taxes are trending slightly upward which is reflected in this budget.

○ Department of Social Services received a \$225,000 grant for 2018 to provide financial assistance to employers who are willing to hire DSS clients. This is a pilot program that is a partnership with the

- Colorado Workforce and the only one offered in Rural Colorado.
- Payments in Lieu of Taxes" (PILT) are Federal payments to local governments that help offset losses in property taxes due to non-taxable Federal lands within their boundaries. There is pressure in Washington to make this mandatory funding instead of the discretionary

program it is right now. At this point, funding remains steady but should Congress decide not to fund it, the County would have to make serious reductions in programs and employees.

- Highway User's Tax Fund is statutory funding that comes from motor fuel taxes, vehicle registration fees, driver's license fees, etc. It is projected to be slightly higher in 2018.
- Local funds including building permits, interest, licenses and permits, charges for services and miscellaneous. Building and other permits are trending slightly higher and are budgeted the same.
- Personnel:
  - Employees were given a 3% Cost of Living raise in order to raise the base salary for all county employees. This is an increase in an effort to retain staff as the County has seen a loss of employees to agencies with a higher wage scale, most notably Alamosa County. The Commissioners have made increasing wages a major priority for all employees.
  - Commissioners agreed to cover the increased premium costs of Health Care (5%) and offer a 2% merit increase to be given at an employee's anniversary.
  - The Commissioners approved the following staff increases, 1 FTE Fiscal Officer (split between Public Health and Administration), 1 FTE Dispatch/Jailer, 1 FTE Deputy, 1 FTE Assessor Clerk, and 1 FTE Treasurer Clerk. Also, 2 part time employees at the Jail will go to full time.
- Capital Expenditures:
  - The Jail and Sheriff's departments were approved to purchase another transport van and Sheriff truck.
  - Dept. Social Services, Clerk and Recorder, Treasurer, Administration, and Assessor all received capital funding for equipment needs.
  - Road and Bridge will be replacing Supervisors truck, paint striper, and loader. They are also replacing 2 road graders through a lease-purchase program.
  - The Airport will be seeking grants and other funding to build a facility to house classrooms, equipment storage, and pilot lounge.
- Other notables:
  - Due to the increasing costs of inmate health care, the Commissioners funded \$110,000 for a jail nurse and/or development of a program to address their needs.

## Rio Grande County Weed District

The *Rio Grande County Weed District* is funded through a separate mill of .5 and has a Board of Directors. The County provides administration and employee services for the District. The mission of the Weed district is eradication and control of noxious weeds in Rio Grande County, working closely with surrounding counties to control the spread of their weeds into our County. The Director works with a Board of Directors in planning each year's activities, working closely with landowners, Colorado Department of Transportation, State and Federal Agencies. The District has 1 FTE and up to 6 PTE during the spraying season.

The Weed District 2018 Budget is \$252,365 which is an increase of \$58,198 from the 2017 budget of \$194,167. The increase is due to Capital Expenditure of \$30,000 for a truck, salary adjustment of 3% with possible merit increase of 2%, and general operating increased expenses in chemicals and insurance. The amounts for the Weed Control District are under the amount of increase allowed under the Tabor amendment and the 5.5% Statutory Property Tax Revenue Limit in November, 2017.

### Mill Levy

Rio Grande County is dependent, in large part, on their Mill Levy of 15.567 which has not been increased in many years. This is the maximum mill levy Rio Grande County can levy without going to the vote of the people.

Based on an assessed valuation of \$185,619,889, this is approximately \$2,889,545. While there is an increase in the amount of taxes to be received of approximately \$66,600 (2.3%), with the reduction in the residential assessment rate, from 7.95% to 7.2%, the County could have received an additional \$108,000 (3.9%) to offset increased expenses, most notably salaries. This reduction was statutorily required to keep the ratio between commercial and residential assessments. The reduction was caused by the rapid increase in housing values along the Front Range. Unfortunately, we have not seen the explosive growth in our economy to fuel this increase. The unintended consequence of this formula is a reduction in our revenues.

The distribution of the mill levy is shown in the chart to the left and described below.

- The *General Fund* is the general operating fund of the County. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The General Fund receives 11.292 mills or approximately \$2,096,020.
- The *Road and Bridge Fund* is a special revenue fund used to account for the maintenance and improvements of streets and highways. The sources of funds include property taxes, highway user's fees, and other revenue sources. Road and Bridge will receive 1.5 mills or

## RIO GRANDE COUNTY 2018 BUDGET

- The *Social Services Fund* is a special revenue fund used to account for the operations of social programs; i.e. Temporary Aid to Needy Families, Old Age Pension, Aide to the Blind, Aide to the Needy and Disabled, among others. Financing is provided by grants, allotments, and property tax revenue. Rio Grande County is required by statute to provide approximately 20% in matching funds for DSS funding which requires the County to budget 2.3 mills or approximately \$426,926.
- The *Capital Expenditure Fund* is a special revenue fund which has not been used in recent years. The Rio Grande County Commissioners have chosen to budget .125 mills in this fund for future capital needs of the county. This is approximately \$23,202.
- Approximately 93% of the *Public Health Fund* comes from state and federal grants. These grants require matching funding, which the County provides through a .35 mill or approximately \$64,967.

### Fund Reserves

Rio Grande County had Fund Balances of \$11,411,035 as of December 31, 2016 with \$1,489,499 held in reserve for various uses such as restricted funding sources, bridge replacement, road and bridge inventory, and Social Service programs. Based on preliminary estimates, the 2017 Fund Balance will be approximately the same. Although the 2017 Budget reflected a much larger use of Fund Revenues, Rio Grande County employees have been most diligent in their use of tax payers' dollars. The Commissioners recognize the 2018 budget is showing a need to use Fund Revenues. They understand that the use of these funds are not sustainable and serious discussions need to begin soon regarding increasing revenues or the county will be forced to reduce expenses through reduction in staff and programs. Discussions have begun to explore ways to increase the mill levy and/or other revenue sources to provide additional funding so we will be able to continue to offer the services that are expected by Citizens of Rio Grande County.

### Other Funds

Astronaut Rominger Airport is a special revenue fund funded through County General, lease of hanger space, sale of avgas, CDOT Aviation Grants, and donations through the Colorado Enterprise Zone for capital projects. ARA does not have FAA designation and due to extensive regulations, does not anticipate applying for this designation. The airport is managed through the County Commissioners and a Board of Directors appointed by Rio Grande County Commissioners. Presently, the Airport has 2 PTE.

The Tourism Fund receives their revenues through a special Lodging Tax which the County collects and distributes to the fund. The tax is used to support various marketing efforts and local events such as the Monte Vista Crane Festival, Rio Grande County Museum, South Fork Welcome Center, and Rio Grande Country Visitors Guide. The fund is managed through a board of volunteers appointed by the Rio Grande County Commissioners. The Commissioners work diligently to ensure fair representation from all communities and the county on the Board which meets monthly on the third Tuesday of each month at the Rio Grande County Commissioners Chambers. You can find a complete description of the Tourism board and their activities at: [www.riograndecountry.com](http://www.riograndecountry.com).

### Long Term Liabilities

An annually renewable lease purchase agreement, dated January 11, 2005, was entered into between San Luis Valley Federal Bank (the "Bank"), as lessor, and Rio Grande County (the "County"), as lessee. The bank issued \$2,500,000 to the County for the purchase of the McCallister Building, the Courthouse Annex, the Road and Bridge Shop Building, and the Road and Bridge Truck Garage. The County is leasing the buildings back via the lease purchase agreement at 4.50% interest. The County used the proceeds from the sale to construct and equip a new jail facility. Payments are due to the Bank in annual installments through October 2025, from the General Fund. The buildings are included in fixed assets at a cost of \$1,762,653 with accumulated depreciation of \$878,376. Principal balance at December 31, 2016, was \$1,395,230.

The County is drawing down the proceeds to purchase energy efficient components based on an energy efficiency audit on the County buildings. Quarterly payments of principal and interest are made from the General Fund through January 2023. Principal balance at December 31, 2016, was \$243,243.

### Expenses

Expenses for the County can be divided into three very distinct areas: Salaries, Operating, and Capital Expenditures. These are shown in the Consolidated Budget on Page 4. Because County General houses many departments, it is sometimes easier to understand their budgets when broken out and examined separately.

The chart on page 9 is a visual of the total expenditures of each department. It also shows how Rio Grande County serves our constituents. The first part, Elected Officials, are departments that are statutorily required by Colorado law. These departments are critical to the County and, while services can be cut back – shorter hours, etc., they cannot be eliminated. Service departments are departments that provide services the public and/or offer amenities that

# RIO GRANDE COUNTY 2018 BUDGET

our citizens use. These departments receive funding from various sources including state and federal grants, HUTF, local revenues, charges for services, etc. Support departments are departments that provide support functions for the County directly i.e. accounting, human resources, facilities maintenance, county attorney, etc.

As part of County General, the Sheriff and Jail departments, which are open 24/7/365 have the largest budgets at \$784,328 and \$1.5M. The combination of these departments use more than the amount of property tax received through our mill levy. The other departments are funded through PILT, charges for services, other grants, investment income, etc.

- Implementation of a Capital Improvement Plan including campus buildings and equipment – still in process. Reviewing Capital and inventory software to determine if there is a positive cost/benefit return to implement.
- Development of a Rio Grande County Campus Security plan to work in conjunction with the Courthouse Security Plan. - Completed
- Completion of the Software conversion – Accounting software has been completed. Treasurer decided to return to previous software for several reasons.
- Rewriting and updating Rio Grande County's Employee Handbook – still in process
- Quarterly meetings with Towns/City's, URGED, and SLVDRG to improve economic base – ongoing but we have meet with the City Councils on a consistent basis. RGC has board representation on URGED and SLVDRG.
- Other Accomplishments:
  - Assessment of Monte Vista Wastewater Treatment Plan is in RFP stage and should commence shortly. Several grant sources were used to complete funding stream.
  - Extension of Unfunded Courthouse Grant has been received and the RFP will be moving forward for completion in 2018.
  - Rio Grande County agreed or continues to be the fiscal agent for the following grants: 2017 Homeland Security, 2017 Health Care Coordinator Consortium, SLV Development Resources Group Revolving Loan Fund.
  - Development of County policies and procedures continue.

## Economic Outlook

- With the economic and political climate in the United States, the County is monitoring intergovernmental funding. We continue to see a decline in this funding, down to 69.5% from the 2015 level of 71.1% of our total revenues.
- We also monitor expenditures and revenues in order to respond timely to any shortfalls. In 2016, County departments ended with surplus funds, usually due to reduction in expenditures. The General Fund continues to be a major concern due to the reduction in revenues and increase costs that can only be reduced by cutting employees and programs or increase the mill levy.
- The County continues to fight the trend of shifting costs from the State to the County. Of major concern at this time it the cost of health care of county inmates and the need to increase employee wages especially in light of increases in minimum wage and requirements of the Affordable Care Act.
- Housing starts, additions, remodels, and commercial building has stayed steady during 2017 which is an excellent sign that the economy is rebounding from the recent recession. Several business have opened their doors and/or expanded. We are looking forward to working with them through SLVDRG, URGED, and Workforce Development.
- Sales taxes and lodging taxes have increased, again showing a rebound in the economy. Interest rates are up slightly, helping our investment income.

## Rio Grande County 2016 Audit

Rio Grande County received an Audit Finding in 2016. This finding was attributed to the undue amount of turnover in the County Administration Department and an account software conversion in the finance and treasurer's department which created reconciliation difficulties. The auditors determined the County did not have a complete system of internal control to prevent and detect financial misstatements. Due to these issues, the Auditors felt it necessary to propose audit adjustments to properly state the General Fund, Road and Bridge Fund, and Public Health Fund amounts in the County financial statements as of December 31, 2016, in accordance with generally accepted accounting principles. The Finance department is working closely with the Auditors to develop Policies and Procedures for all accounting steps to mitigate these findings in the future even if there is turnover.

### Auditor Opinion<sup>1</sup>

*In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the County, as of December 31, 2016, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.*

The Audit, in its entirety, is available at the County Administration office.

### Goals for 2018

Completion of Accounting and Grants Management Policies and Procedures

Implementation of Capital Asset Software program

Completion of Rio Grande County Employee Handbook

Completion of Unfunded Courthouse Grant Assessment

Possible capital improvements:

- Social Service
- Road and Bridge
- Astronaut Rominger Airport
- Administrator offices

I would like to thank the Commissioners, Elected Officials and department heads for their time, input and patience with the creation of this budget. It is never easy to attempt to manage employees and equipment when money is tight. The next several years will be very challenging and budget issues will not be resolved quickly.

## RIO GRANDE COUNTY 2018 BUDGET

We respectfully request our communities, taxpayers and citizens of Rio Grande County help us as we look to address the needs of Rio Grande County. We face great challenges as our neighboring counties continue to grow and take sales, revenues, and sales taxes from our businesses and communities.

It is my pleasure to work for this organization. I believe that Rio Grande County has great opportunities ahead; we are rich with natural assets, beautiful vistas, and wonderful people. Our challenge is to increase our property and sales tax base to help balance the growing expenses we need to manage a \$22MM business, which is what Rio Grande County is. It will take all of us to create a stronger community.
