Department of Social Services

Policy

Policy Title Decoupling of Schedule	Reference 26-8-802 Section 6 (7)(j)
Policy No. CCCAP - 17	Effective Date January 1 st 2015
	Adopted by BOCC 12-31-2014

Purpose

The decoupling of parent/child schedule is to support child care needs, based on the verified need of the participant and on the child's needs for care to provide continuous child care with least disruption to the child's educational progress.

Policy

Child care will be authorized based on the needs of the child and to promote consistency for the child while taking the participants verified need for care into consideration. Quality of care will be considered.

Procedure

Child care worker will discuss what is in the best interest of the child with client. Client will submit a written proposal of what time frame client is requesting for childcare by CCCAP. Client will be responsible for any care that is provided outside of the agreed consistent time frame for child(ren). Written proposal will be submitted to supervisor for approval.
