| Policy Title Job Search | Reference 3.905.1 |
| Policy No. CCCAP-15 | Effective Date September 2021 |
| | County Director Approval |

Purpose

During the 13 weeks of job search, child care allows the parent the opportunity to have child care approved while out searching for a job. The client may be a current CCCAP participant who has lost their job or a new client applying for child care while trying to obtain a place of employment.

Policy

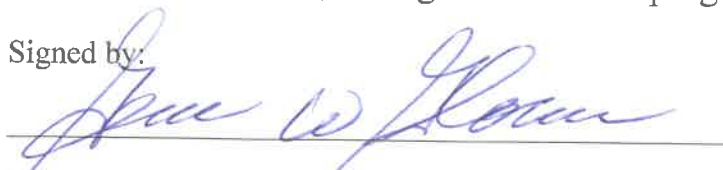

13 weeks of job search will be approved as an eligible activity for a parent who enrolls in the child care program, or loses employment while enrolled in the child care program. Any day used in a week is considered one week used toward the time limited activity. Child care will be determined based on the best interest of the child(ren). While parent is in the eligibility status, children must attend daycare as scheduled on a regular basis during the 13 weeks of job search.

Procedure

County will authorize child care for a maximum of 13 weeks while the parent(s) looks for employment.

Job search is tracked, through the CHATS program.
